

Dear students,

we are members of the SEA-EU Student Council and we would like to invite you to the first ever SEA-EU "Students for Students" event!

SEA-EU is a European alliance of six universities in Brest (France), Gdansk (Poland), Split (Croatia), Malta (Malta), Cadiz (Spain) and Kiel (Germany). The aim of this partnership, which has been in place since the beginning of 2020, is to facilitate exchanges between students from the six participating universities. One component of the project is to build links between students from the different universities. Therefore, we are organizing regular online meetings, which aim to function as a get to know as well as an information platform for interested students.

If you want to learn more about the alliance, join an evening organized by the University of Gdansk, the University of Split and the University of Kiel on May 27th at 8:00 pm, where the three host universities and the SEA-EU project itself will be presented in more detail. To participate, simply follow this link: <https://uni-kiel.zoom.us/j/61402297666>

Still have questions? No problem, just contact the organizers directly by sending an email back to this address!

We look forward to seeing you!

Kindest regards,

Magda, Klaudia, Roko, Annalina, Zeno, Jan-Erik & Jan-Christian

SEA-EU Student Council
